The Formentera Department of Interior reports that the non-profit group Bomberos sin Fronteras (Firefighters without Borders) teamed up with the Formentera fire department to deliver five protective screens to the local hospital for use by staff. The screens were made by Bomberos sin Fronteras.

An association that funds and supports development, Bomberos sin Fronteras is made up of career firefighters and volunteer fire and rescue first responders.

Pictured: a firefighter from the local brigade and Ilana Martinez, assistant director of management at the Formentera Hospital.
