The Formentera Council reports that islanders who requested a postbox through the new mail pickup service in Sant Ferran (carrer Mallorca, 15) can now pick up their keys at the Sant Ferran location or the Citizen Information Office (OAC).

Forty-eight requests came in from islanders residing in remote areas of Sant Ferran, la Savina and es Caló; they will now receive mail at the new post office location. Anyone interested in obtaining a postbox, whether in Sant Ferran, es Cap or la Mola, can fill out the request form (instància genèrica) at the OAC, or online on the OVAC.
