

Consell de Formentera president Alejandra Ferrer and Marina de Formentera director Juan José Costa signed a deal under which the company pledges two yearly payments of €9,000 to support sports activities at the Escola Municipal de Vela (Municipal Sailing School) and upgrade services and gear required for nautical learning activities, safety and rescue. Formentera officials, including local sports *conseller* Paula Ferrer, applauded the company for its commitment to nautical sports, a key element of local life. José heralded efforts within the Consell de Formentera to promote sport and the administration's multi-faceted commitment to it.
